

Case Filing Services

With the creation of AAA® Case Filing Services, customers have an easy, fast and efficient process for filing any type of dispute resolution case, regardless of geographical location. Case Filing Specialists will assess each case to ensure that all information is complete and will contact filers if there are any questions about the case. The Specialists are also on-hand to assist customers with case-filing questions.

To file a case online, click on [File or Access Your Case](#).
