

AMERICAN ARBITRATION ASSOCIATION®

AAA® LABOR ARBITRATION NEWS

SUMMER/FALL 2024 EDITION

Spotlight: Labor Mock Hearing

September 19, 2024: An in-depth, step-by-step look at a labor arbitration hearing.

Our expert panel of three seasoned labor professionals will guide you through a mock hearing, providing real-world insights and practical advice. This webinar will include actionable tips and strategies to help you excel in your next labor arbitration hearing. Our experts will break down every stage, explaining their decisions and why they matter.

AAA® LABOR ARBITRATION NEWS

SUMMER/FALL 2024 EDITION

Upcoming Event you won't want to miss

The AAA is collaborating with The Scheinman Institute on Conflict Resolution to sponsor **"The Evolution of Workplace ADR"** at Cornell University's School of Industrial and Labor Relations in New York City.

Stay informed about the latest innovations, trends, and best practices in labor and employment dispute resolution.

This Event is your chance to:

- **Learn how emerging technologies are streamlining dispute resolution processes:** Join experts as they discuss the impact of AI and other innovations on ADR practices.
- **Gain strategies for navigating conflict in the evolving hybrid workplace:** From new policy proposals to inclusive practices, discover how to manage workplace disputes effectively.
- **Network with top alternative dispute resolution thought leaders and practitioners:** Connect with peers and leaders in the field and exchange ideas on the future of ADR.
